### Memorial Norberto Goizueta July 20th to 22nd

One more year the tournament in **memory of the founder of the Real Club de Golf Guadalmina**. R.F.A.G. has worked hard to ensure that this tournament is valid for the world RANKING, along with the of Andalusian Cup, they are probably the two most important individual tournaments on the Andalusian calendar, and both are played on our South course.

On this occasion, it is a valid Championship for the World Ranking and taking into account that almost all players who are in American universities, have returned. The majority of top European players is available, so we can expect an exciting Championship.
