

NEWS OF THE COMPETITION COMMITTEE.

Dear Members,

This is a special newsletter from the Competition Committee, because we would like to bring your attention to two special events which will take place in **APRIL** at our Club

Club Championship April 2nd and 3rd

In the last Competition Committee, it was decided to celebrate **The Club Championship** in Spring, with the format of a very important tournament, it is our intention to award the best players in our Club, therefore it will be a two days event, **Ladies playing from Blue tees, and Gentlemen from White tees.**

This competition will replace the old Competition Committee Cup, which as you know was played together with the President's Cup, and as from this year will be organized in different days.

We consider that the best player of a Club is the one who plays the lowest possible score scratch, and in the rules therefore is no distinction on age, Seniors, Mid - Amateur and Juniors will compete for the same prize, **to write their name in the Board of Honor at our Club.**

We encourage Members to participate, there will be a minimum entrance fee of 5 €, and the prizes will be a commemorative plate with some sports equipment from our pro-shop, and we will make a draw at the prize giving ceremony among players attending.

Interregional Spanish Championship 1st and 2nd Category April 14th to 17th

As agreed, in **2015** the Real Club de Golf Guadalmina asked the Royal Spanish Golf Federation to host one important national tournament during 2016, and we were offered to host the Interregional Spanish Championship for players under 18 years of age, the best players from Spain representing their regions will play on our South Course.

Some of our members may remember back in October 2011, when we hosted the same tournament but under 25 years of age "Memorial Santi Olle", we lived a fantastic experience and the Club, and we had the opportunity to watch players that today have become promising professional golfer like John Rahm, Mario Galiano, Marcos Pastor... and some of **our Juniors like, Castor Gómez or Antonio Cruz – Conde** members of the Andalusian team in 2011

In April **as from the 14th until the 17th** our Club will host a similar tournament but in this occasion with players under 18 years of age, and possibly with some of our most promising juniors like **Angel Hidalgo Portillo o Felipe Barrera Rodriguez** from the Competition Committee we would like to invite Members to enjoy the Tournament, watch these young players, and the GOLF that they can produce, we can assure you that it is worth to watch them, besides the great golf atmosphere that we will have in our Club during these days.
