

FlightScope

Master your passion

YOU CAN ALREADY COUNT WITH THE LAST TECHNOLOGIES THAT USE THE BEST PLAYERS AND TEACHERS OF WORLD GOLF.

FlightScope is a radar system capable of measuring data of the ball as the same flight on 31], speed, distance, how flies the ball, backspin, sidespin, the Carry output and lowering of the Height, while the ball is in the air; and Tambourini data from the head of the bat as the speed at the moment of impact, points where the face of the bat, dynamic loft, angle of attack, plane of swing, path, smash, V-Plane and H-Plane.

Also has a section for exercises and challenges called FlightScope Skills where depending on the level the player will have to give blows to different distances and targets with scores.

What are you waiting for to improve and train as the best in the world?

1 jugador -1 hora: Junior 30€, socio 50€, no socio 70€

2 jugadores -1 hora: Junior 25€ p/p, socio 35€ p/p, no socio 45€ p/p

3 jugadores -1 hora: Junior 20€ p/p, socio 30€ p/p, no socio 35€ p/p
